AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. QUAYLE) at 8 o'clock and 39 minutes p.m.

AMERICAN TAXPAYER RELIEF ACT OF 2012

Mr. DREIER, from the Committee on Rules, submitted a privileged report (Rept. No. 112-741) on the resolution (H. Res. 844) providing for consideration of the bill (H.R. 8) to extend certain tax relief provisions enacted in 2001 and 2003, and to provide for expedited consideration of a bill providing for comprehensive tax reform, and for other purposes, which was referred to the House Calendar and ordered to be printed.

Mr. DREIER. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 844 and ask for its immediate consideration.

The Clerk read the resolution, as fol-

H RES 844

Resolved, That upon the adoption of this resolution it shall be in order to take from the Speaker's table the bill (H.R. 8) to extend certain tax relief provisions enacted in 2001 and 2003, and to provide for expedited consideration of a bill providing for comprehensive tax reform, and for other puropses, with the Senate amendments thereto, and to consider in the House, without intervention of any point of order, a single motion offered by the chair of the Committee on Ways and Means or his designee that the House concur in the Senate amendments. The Senate amendments and the motion shall be considered as read. The motion shall be debatable for one hour equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means. The previous question shall be considered as ordered on the motion to its adoption without intervening motion or demand for division of the question.

The SPEAKER pro tempore. The gentleman from California is recognized for 1 hour.

Mr. DREIER. Mr. Speaker, I am happy to yield the customary 30 minutes to my very good friend from Rochester, New York, the distinguished ranking member of the Committee on Rules, Ms. SLAUGHTER, pending which I yield myself such time as I may consume. All time that I will be yielding will be for debate purposes only.

(Mr. DREIER asked and was given permission to revise and extend his remarks.)

Mr. DREIER. Mr. Speaker, the measure before us and the process that brought us here has been the source of a great deal of understandable consternation. Virtually no one believes that what we have before us tonight is a long-term solution to this problem, and most have bemoaned the fact that we have stretched the far reaches of our deadline to actually get here.

Now, I'm privileged to be in my fourth decade as a Member of this body. And it's true, I don't believe that in those decades I've ever actually spent New Year's Eve and/or New Year's Day in this building, but working up to a deadline is hardly unprecedented in this institution.

As we all know, H.R. 8, we are concurring in the Senate amendment with this rule, but H.R. 8 passed last August 1, went over to the other body, and it
